Experience

Creative, adam&eveDDB, London. Oct 13 – Present

- Responsible for creative direction, tech and experience design across a broad spectrum of global accounts and clients.
- Developed and executed ideas for digital, social and integrated campaigns that included digital experiences, brand activations, social marketing as well as platform, product, and service design.
- Creative Tech consultant for many of the innovation and digital related briefs.
- Worked with the new business team developing and conceptualising ideas for many of the winning pitches for the agency.
- Worked closely with strategists, planners and account management to realise client problems and create briefs accordingly.
- Visualise ideas with sketches, scamps, wireframes and storyboards.
- Worked closely with producers, directors, designers, developers, animators and editors to bring campaign ideas to life.

Clients: John Lewis, Virgin Atlantic, YouTube, Google, Halifax, Lloyds, Lipton, Walls, Samsung, EA, Aviva, Mars Pets, Max Factor, Waitrose, Sony, VW, Uniliver.

Digital Creative, ClickTag, London. Oct 11 – Sep 13

- Design and build of interactive display ads.
- Conceptualising digital display and digital out of home ads to go along with TV and print campaigns.
- UI/UX designs for apps and websites.

Clients: Toyota, Cadbury, Pizza Express, Dove, Microsoft, PlayStation, Volvo, Mini, Visa, Lynx, Mondelez, RBS, Natwest, Pepsi Max, ING, Panasonic, GiffGaff, Nokia, Marriot, Coca-Cola.
